Rebuttal to Argument Against Proposition 60

Make no mistake about who opposes Prop 60. It's the greedy porn producers. They routinely put adult film performers' safety and health at risk by forcing them to perform without condoms. Recent studies found that one in four performers have been sick with serious sexually transmitted diseases. *Nobody should have to risk getting a serious disease to keep their job!*

The profits-before-safety lawbreaking in the adult film industry is well documented. California safety and health officials—Cal/OSHA—have issued HUNDREDS OF THOUSANDS OF DOLLARS in citations against nearly two dozen pornographers for violating rules that clearly require condoms in adult films.

But Cal/OSHA officials have frequently been blocked by loopholes and enforcement limitations. Prop 60 will close the loopholes and strengthen Cal/OSHA's ability to enforce existing law. *This is about fairness and responsibility!*

Prop 60 is supported by the International Entertainment Adult Union (IEAU), the ONLY OFFICIAL UNION certified to represent adult film workers, and by NUMEROUS MEDICAL AND PUBLIC HEALTH ORGANIZATIONS, including:

- California State Association of Occupational Health Nurses
- California Academy of Preventive Medicine
- San Francisco Medical Society
- Southern California Coalition for Occupational Safety and Health
- American College of Obstetricians and Gynecologists - District IX
- American Sexual Health Association
- Beyond AIDS
- California Communities United Institute

PROPOSITION 60

Pornographers have abused performers for far too long. Performers need and deserve the same workplace safety and health protections that construction workers, farmworkers, nurses, and millions of other California employees already enjoy.
